How to complete Forms F2 and F3

Instructions for completing the forms

No.	Field	Guidance
1	State of registry and State of operator	Enter the State's two-letter ICAO code in accordance with ICAO Doc 7910. If a State has more than one code, use the first code listed.
2	Operator	Enter the operator's three-letter ICAO code in accordance with ICAO Doc 8585. For a military operator, enter 'MIL' and state the unit name in the remarks field. For general aviation without an operator code, enter 'IGA' and state the name of the operator or owner in the remarks field.
3	Aircraft type	Enter the ICAO aircraft type designator in accordance with ICAO Doc 8643, for example B762 for Boeing 767-200.
4	Model or series	Enter the model or series, for example 200.
5	Mode S address	Enter the aircraft's 24-bit Mode S address using six hexadecimal characters, for example 1234DF.
6	Yes or no	Indicate whether the relevant approval has been granted.
7	Date	Use the date format DD.MM.YYYY, for example 24.01.2026.
8	Remarks and reasons	Attach a separate sheet if there is insufficient space on the form. Identify the attachment by the aircraft registration mark and the relevant field.

SUBMISSION AND FURTHER PROCESSING

- Send the form to postmottak@caa.no. Use 'RVSM/PBCS - [registration mark]' as the email subject.
- Use Form F2 for a new approval or an amendment. Submit one form for each aircraft.
- Use Form F3 when an RVSM, RCP 240 or RSP 180 approval is withdrawn. Submit the notification without undue delay.
- The Civil Aviation Authority Norway checks and validates the information and reports the relevant data to EUR RMA.

PERSONAL DATA
